#### More Students

Working at or Above Grade Level

When used with fidelity, **Core5** helped increase the percentage of students working at or above grade level from

**38% to 81%**

### Literacy Acceleration for Students in Grades 6-12

#### Student Progress

**51%** of charter school students

who used **Lexia® PowerUp Literacy®** with fidelity covered **3+ grade levels** of skills in one year.

I love that my students have the opportunity to extend their learning with PowerUp. Some of them have already completed the Core5 path, and they needed more of a challenge. It's great that it's so differentiated!
