

Investment Makes an Impact With Core5

It doesn't matter where you are. Lexia® Core5® Reading delivers measurable success, empowering educators to close literacy gaps and accelerate reading growth for all students. Backed by research and data-driven insights, Core5 ensures every student receives targeted support to achieve reading proficiency.

Proven Results Across the Country

Impact data is from quasi-experimental and large-scale, quasi-experimental studies.

Why It Matters

With Core5, **you've made an investment that delivers real results.** Your commitment to closing literacy gaps is helping students achieve reading success and creating brighter futures. **Your leadership is making a difference**—Core5 is helping your district lead the way in educational equity through improved reading scores.

Get Your Own Data

Want to dig into Core5's impact in your district? Contact your Lexia® representative to ask about a correlation analysis to see firsthand the real-world impact in your schools.
