Adaptive Blended Learning

Meet Students and Teachers
Where They Are

Lexia's personalized learning model ensures differentiated, adaptive instruction in support of Washington students and teachers. By combining independent online learning and face-to-face instruction with our exclusive Assessment Without Testing® approach, we are creating a true **blended learning** environment.

- Our model blends teacher-led instruction with purposeful technology.
- Every student receives individualized, data-driven learning paths to optimize literacy growth.

The Lexia Personalized Learning Model

- Motivating and engaging interface
 - Self-directed learning
 - Remote-ready
- Real-time, on-the-spot progress monitoring
 - Prioritized and group instruction
 - Standards-aligned reporting
- Auto-assigned to target specific student needs
 - Face-to-face and practice/extension resources
 - Standards-aligned

**Lexia is YOUR
blended learning partner!**
