

Gather CCSS-aligned progress-monitoring data without stopping instruction for a testing event!

Lexia® PowerUp Literacy® for Michigan is fully aligned to the Common Core State Standards, allowing you to:

- Monitor student progress toward mastery of Common Core State Standards with the Student Progress Report
- Access the library of CCSS-aligned Lexia Lessons® for targeted direct and explicit instruction
- Access the library of CCSS-aligned Lexia Skill Builders® for independent practice of skills

Translate PowerUp reading performance to standardized assessments

- PowerUp performance measures are valid indicators of reading ability.
- On-target performance predictors forecast outcomes.

Assessment Without Testing®

- Prescribes instructional intensity
- Details information on student skills and needs
- Provides simple and actionable data tied to instructional resources
- Identifies student risk levels
- Highlights granular data: daily, weekly, monthly
- Offers insight for student, class, school, and district
