How does Lexia® English support the California English Learner Roadmap?

1 — Assets-Oriented and Needs-Responsive

Lexia ENGLISH™ LANGUAGE DEVELOPMENT

- Views learners' heritage languages and cultures as an asset
- Helps develop intrinsic motivation by offering choice
- Students self-monitor personal progress and celebrate achievements

2 — Intellectual Quality of Instruction and Meaningful Access

Lexia ENGLISH™ LANGUAGE DEVELOPMENT

- Allows students to immediately apply learning in content areas through engaging conversations
- Program assumes a growth mindset pedagogy
- Real-time, scaffolded support as needed

3 — System Conditions that Support Effectiveness

Lexia ENGLISH™ LANGUAGE DEVELOPMENT

- Provides a systematic, scalable approach to teaching and learning
- Combines personalized learning and embedded assessments
- Data-informed, teacher-led resources meet the needs of individual learners and accelerate reclassification

4 — Alignment and Articulation Within and Across Systems

Lexia ENGLISH™ LANGUAGE DEVELOPMENT

- Built from the ground up to align with the CA ELD Standards
- Aligned to ELPAC to fully support schools' efforts for EL learning

Lexia®
ALL FOR LITERACY™
