

BOOSTS CHARTER SCHOOL SUCCESS

Every charter school is unique, and Lexia® offers the flexible, personalized learning each school needs to boost student achievement.

THE RESULTS ARE IN

PROGRESS FOR STUDENTS OF ALL ABILITIES

Charter school students of all abilities made substantial progress in Lexia® Core5® Reading across the 2019-2020 school year.

Lexia Core5 Reading is a powerhouse—truly one of the best, most useful, and high-impact technology-based literacy programs that our school has ever used.

MORE STUDENTS WORKING IN OR ABOVE GRADE LEVEL

The percentage of students who ended the year working in or above grade level approximately **DOUBLED** (45% to 87%).

Only 39% of our students started the year working on grade-level material, and we are now up to 90%!

RECOVERY FROM PANDEMIC LEARNING LOSS

52% OF CHARTER SCHOOL STUDENTS reached their grade-level benchmark in Core5 by the end of the school year.

60,200 K-5 STUDENTS started using Core5 for the first time during the educational disruption period.

[Core5] gives our students practice opportunities that help them grow and gives our teachers real-time data to identify areas of need, as well as to provide suggested interventions based on those needs.

REDUCED RISK

FOR READING FAILURE
Percentage of students working below grade level was reduced from

55% TO 13%

It's an investment that has produced significant gains in student literacy skills and teacher effectiveness.
