READING

Reasons to Choose
for New Mexico Schools

Every school in New Mexico is unique, and Lexia offers the flexible, personalized learning each school needs to boost student achievement.

- Individualized, data-driven literacy instruction for all students based in the science of reading

- Provides standards-aligned, teacher-led lessons and resources to match students' needs

- Built on an adaptive blended learning model for flexible implementation with the teacher at the center

- Enhanced with Assessment Without Testing® technology, saving educators valuable instructional time with embedded progress monitoring

- Research-based and proven to work in New Mexico schools

- Real-time, on-the-spot progress monitoring provides educators the ability to differentiate instruction

- Phonological awareness, phonics, structural analysis, automaticity/fluency, vocabulary, and comprehension taught in a systematic, sequential, and scaffolded manner

- Provides **all** students—from at-risk to on-level and advanced—a systematic and structured approach to six areas of reading

- Cultivates student ownership of performance and progress toward personalized goals

- Flexible fit into existing curriculum—before/after school, at-home/remote learning, classroom center rotations, computer lab

- Promotes social-emotional learning through a growth mindset approach
