

Reasons to Choose *for Oklahoma Schools*

Every school in Oklahoma is unique, and Lexia offers the flexible, personalized learning each school needs to boost student achievement.

- Individualized, data-driven literacy instruction for all students based in the science of reading
- Provides standards-aligned, teacher-led lessons and resources to match students' needs
- Built on an adaptive blended learning model for flexible implementation with the teacher at the center
- Enhanced with Assessment Without Testing® technology, saving educators valuable instructional time with embedded progress monitoring
- Research-based and proven to work in Oklahoma schools
- Real-time, on-the-spot progress monitoring provides educators the ability to differentiate instruction
- Phonological awareness, phonics, structural analysis, automaticity/fluency, vocabulary, and comprehension taught in a systematic, sequential, and scaffolded manner
- Provides **all** students—from at-risk to on-level and advanced—a systematic and structured approach to six areas of reading
- Cultivates student ownership of performance and progress toward personalized goals
- Flexible fit into existing curriculum—before/after school, at-home/remote learning, classroom center rotations, computer lab
- Promotes social-emotional learning through a growth mindset approach
