

Oregon Educators Adopt Evidence-Supported Strategies to Accelerate Learning

Oregon school administrators focused on closing equity gaps for all students are adopting solutions that are research-aligned, culturally responsive, and student-centered to comply with the new Early Literacy initiative and support both educators and students.

Lexia® Core5® Reading supports Oregon educators in helping all students learn to read. See how the program is improving reading skills for students across the state while providing actionable data to teachers and administrators.

Oregon K-5 Student Demographics*

Population: 237,725

- English Language Learner: **18%**

- Schools using Core5: **248**

*Oregon.gov, SY 2022-2023

83%

of students who met usage advanced at least one grade level of material.
(SY 2022-2023)

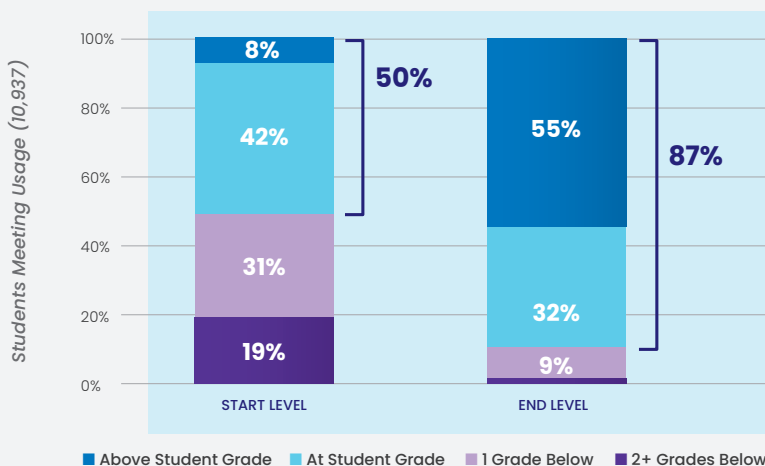

I have used Lexia® in the classroom the last two years. My students are working on their unit goals each week. It's easy for them to track. I like that I can see what they are working on and offer them support when needed. The resources are amazing."

— **Shodie Akin**
La Pine Elementary School

For SY 2022-2023, students* working at or above grade level in Core5 increased from 50% to 87% by the end of the year.

Progress in Core5 during 2022-2023 for meeting-usage students

Core5 is aligned with Oregon's Early Literacy Framework

Core5 meets Oregon curriculum requirements:

- ✓ Rigorous content
- ✓ Quality text selections and genres
- ✓ Growth of comprehension
- ✓ Repeated exposure and application to complex text
- ✓ Flexibility and easy to implement
- ✓ Rich academic vocabulary
- ✓ A foundation built from research
