

LANGUAGE LEADS TO LITERACY SUCCESS

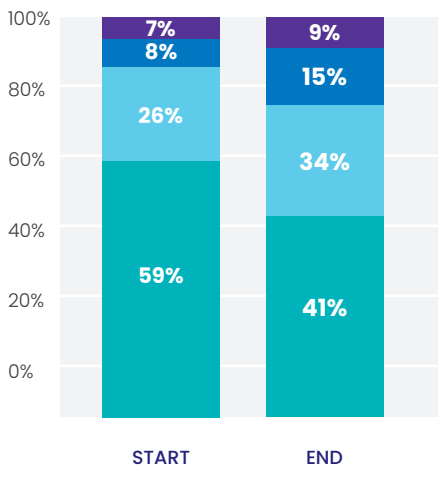

California Administrators Find Academic Success With Lexia English

For a comprehensive literacy solution that meets Newcomer needs, administrators across California know **Lexia English Language Development™** is the secret sauce.

Proven to improve state test scores, Lexia English offers academic English speaking and listening practice for students, and real-time insight and progress reporting for educators and administrators.

31% of California Newcomers using Lexia English with fidelity have moved up at least one proficiency band of in-program material.

- 1,556 Schools using Lexia English

“

I would definitely recommend Lexia English to other educators...The part where students are interacting online is great, but **the tremendous amount of resources that come with it—it’s just phenomenal.**”

— Rebecca Burford, Student Success Coordinator
Ukiah School District, California

Lexia English Has Real-World Results in California

In a 2021–2022 study, students using Lexia English scored **25 points higher** on the California ELPAC and **18 points higher** on the state ELA assessment than students who did not use the program.

“

One of our Emergent Bilingual students didn’t speak for two years in preschool. Now, in transitional kindergarten, after logging 1,000 minutes in [Lexia English], she’s speaking, sharing, and asking questions in class.”

— Yadhira Rojas, Teacher on Special Assignment
Laguna Beach Unified School District
